

Freya Beer

Debut album 'Beast' inducted into the British Library in 2021

'Arms Open Wide' added to PRS Top 20 Tracks of 2020

"Freya Beer is the newest leader of the dark goth pack"

- Manchester's Finest

"Freya Beer is the future pop diva, the 21st-century post-punk torch singer
you will all fall in love with."

- John Robb, Louder Than War

"a voice as haunting and stunning as Lana Del Rey's is, she is an incredible
package stood before you"

- RGM Magazine

'Fantasy' 9.5/10 Video of the Month - Louder Than War

"Goth Pop Princess" - Portsmouth News

"This is a rising star to catch before she outgrows these intimate venues and
you wish you could say you'd been there"

- Manchester Confidential
